

Petition of Security and Allegiance

March 21, 2006

To the Boston City Council:

Councilors –

“We the undersigned residents of Massachusetts, must address concerns regarding the unanimous passage of Resolution # 370, which holds the following: that city police shall not arrest or detain any illegal immigrants; that Boston shall no longer hold any person accountable and subject to prosecution for harboring illegal aliens; and that Boston shall help in the expedition of all Illegal Immigrants to be made citizens without following proper and lawful due process.

1st: We request that the councilors consider the economic and safety detriments that will come as a direct result of this measure.

2nd: We ask that the efforts and personal sacrifices of the multitudes who have come to this country and our great city legally and through hard work and dedication not be disgraced and forgotten.

3rd: We desire that all who want and dream of freedom may come to this country and city through the great work and effort that define the American Spirit.

Therefore, we must insist that the Boston City Council rethink and repeal this dangerous and unjust resolution.”

The above is respectfully submitted by the undersigned.
